

Student Life

Imagine living in a house full of others your age who are chasing after God with high intensity. Late night Taco Bell runs, hanging up Christmas lights, and watching the kitchen go up in smoke as you endeavor to cook some Ramen noodles are what living together is all about. Beyond simply living together, student life is about forming the unbreakable bonds of brotherhood and sisterhood through shared memories, encouraging one another, and challenging each other to run headlong after the call of God on your lives.

Student Housing

Student Housing is located in the Pinefield Condominiums just off of Milham Ave. in Portage. EC students live in either a two or three bedroom condo. Each condo features a two car garage, two to three bedrooms, one and a half or two and a half baths, a fully furnished kitchen and dining area, laundry room, and a family room.

The Pinefields also has a five acre park with a one-third mile exercise track and beach volleyball pit. The Pinefields gym features an all-in-one workout system, treadmills, ellipticals, stationary bikes, and a full indoor pool.

Thursday Nights

Thursday nights are a favorite for EC students!! Every Thursday night in EC there is something fun planned! The first Thursday of the month is the VFC Threshold college age ministry service, where everyone from 18-24 years old packs the student auditorium to worship God and receive a relevant and encouraging Word!

The second Thursday of every month are EC Core Groups, where students break off into co-ed small groups to do anything from catching a movie together to sharing heart over coffee.

The third Thursday of each month is family night, where the whole EC family unites to do something fun that is often based on the current seasonal holiday.

The fourth Thursday of every month is for house parties! Every EC house has individual hangouts which are scheduled by the RAs, and are great time for the EC students to spend time with their housemates! The heart behind Thursday nights is to have fun and mix with different groups of people in order to cultivate family!
