LET'S TALK

Jesus opened up the pathway for us to have a relationship with God.

In what ways has your relationship with the Lord grown over this past year?

No matter what is happening in our world, or the situations we are facing, God has not forsaken us. He is always with us and He loves us as His very own children.

Why do you think it's important in your relationship with the Lord that you view Him as your loving Father?

How does knowing this truth encourage you during the difficult times we're living in, or in any crisis you may face?

Jesus tells us in Matthew 22:37 to love the Lord our God with every passion of our heart, with all the energy of our being and with every thought that is within us.

What do you think it looks like in everyday life to love the Lord with all our heart?

What are some practical things all of us can do to keep our focus daily on the Lord?

LET'S DO THIS

put the message into practice:

- spend 15 minutes a day magnifying the Lord this week to focus your thoughts on Him and the victory you have in Him.
- look up matthew 22:37 in a few different translations and prayerfully consider how to apply it even more in your life.
- continue to pray for the upcoming elections and our government leaders.

stay involved:

- join us ONLINE this Sunday, November 1 @ 9 & 11am (and kids service @ 10:15am!)
- join us for our first ever DRIVE-THRU trunk or treat event in the VFC parking lot on October 31 from 6-7:30pm!
- take your next step in publicly declaring your faith by being water baptized in November -- sign up [HERE!](#)
- check out the new online Valley Orientation and 3-step growth track, which is open for sign-ups on our website.

pray it out:

Father, thank You for calling me into the family of God. Thank You for being my Father and for calling me Your child. It's because of You that I have a new life and I can continue to trust in You for a future and hope in the days ahead. Help me to keep my focus on magnifying You and reminding myself of who I am in You -- no matter what situation I am facing or what takes place in our world. You are still God. You're my God. In Jesus' name, Amen!
